

USB 3.0 Active Repeater

Cable Version

Capable of actively repeating USB 3.0 signals over 5 times longer than the practical 3 meter length limit for SuperSpeed USB. Greatly enhances user experience for USB 3.0 connections:

- Plug & Play
- Bus Powered
- Ease of Use
- Energy Efficiency

Dongle Version

High Performance USB 3.0 Cables

Custom Cable
Design

With Newnex automated tools, your custom cable design is done in seconds!!!
